### *Company profile*

Essential philosophy of the company WTG ENTERPRISE is based on the intention to offer premium quality products with the target to ensure reliable feedback. We want to offer our products and services in the shortest possible time and in the required quality at competitive prices.

With more than 15 years of combined experience in providing industries with quality products, WTG ENTERPRISE is a growing company formed December 1997 by Willy T. Go with the belief that quality and integrity should mean something more. Under his leadership, WTG Enterprise is proud to offer domestic made products and quality good products from abroad at competitive prices. We take great pride in the trust placed in us by our loyal customers.

WTG Enterprise is the home of a complete line of metal/steel and plastic straps for plastic, steel and wood industries, as well as light industries such as food processing, electronics, logistics or for strapping products, cartons, boxes and everywhere where there is a risk of damage to the packaging. Our products are also distributed nationwide for industrial suppliers and all types of manufacturers, dealers and distributors.

Our motto is performance, accountability and development. Business success is our biggest motivation, so in that sense we strive to deliver exceptional value exceeding customer expectations. We value our customers' trust and have challenged ourselves to go much further than just meeting their requirements – we want to exceed them.
